

MUHAMMAD SAIF

CNIC: 36302-5018729-7

EDUCATION

M.Sc./M.Phill (Agricultural Engineering) (Continue)

2022-2024

Department	University	GPA
Department of Agri. Engg.	BZU	3.51/04

B.Sc. (Agricultural Engineering)

2018-2022

Department	University	CGPA
Department of Agri. Engg.	BZU	3.34/04

F.sc. (Pre-Engineering)

2016-2018

College	Marks
Govt. Alamdar Hussain College	735/1100

Matriculation (Science)

2014-2016

School	Marks
Govt. Islamia High School Multan	857/1100

HOBBIES

Photography, Traveling, Teaching,
Writing and many more

INTERNSHIP

- AMRI (AGRICULTURAL MECHANIZATION RESEARCH INSTITUTE) 2021 (05-07-2021 to 13-08-2021)
Under the Supervision of Engineer Mehmood Riaz

D&D Section (DESIGN AND DEVELOPMENT SECTION)

- Learn how to draw the drawing of different machine on
- AutoCAD Study about tractor test and trials in the field.
- Study about the working of fruit picker in the field.
- Study about the reverse engineering of farm machines.

PROJECTS (Under the Supervision of Dr.M.Shoaib)

- To design and construct the artificial rainfall simulator.
- To Estimate the value of runoff coefficient by changing different parameters affecting the direct runoff.
- To determine the rate of infiltration.
- To determine the soil loss.

EXPERIENCE

- Attending One Day Seminar on Future Technology Adoption for Farm Mechanization at AMRI Multan
- 6th Months Working Experience in AgroMech Consultants (Agricultural Machinery Design and Simulation Consultancy). Working as a Design Engineer in this Consultancy (17-01-2023 to 17-07-2023)
